A Few to Give Away

Cover or cross out some tokens. Count what stays.

1. Count the tokens.
2. Take away the number named.
3. Circle what is left.

Let’s try one together

4 − 1 = 3

One is crossed out. Three are left.

Your turn

Cross out 2.

4 3 2

Cross out 3.

4 5 3

Cross out 1.

4 6 5
