Bracelet Bar

Imagine a bracelet made just for you: ten beads in every loop.

1. Count the empty beads.
2. Circle how many need colour.
3. Colour them to finish your design.

Let’s try one together

7 beads are filled.

3 empty beads need colour.

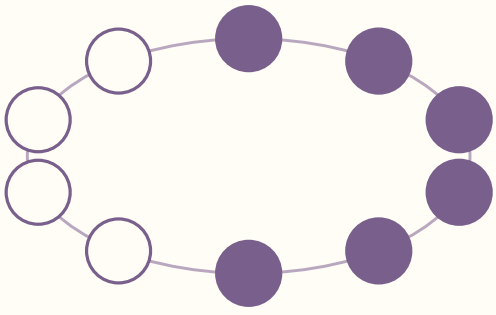

7 + 3 = 10

Circle 3.

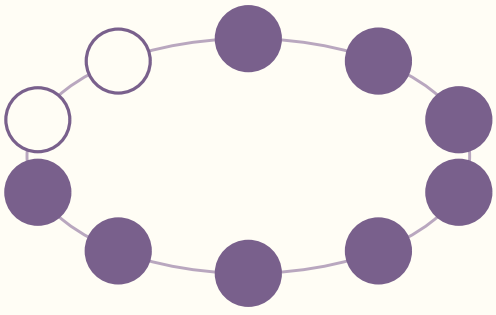

2 (3) 4

Your turn

Two bracelets to finish. Choose your own colours.

3 4 5

1 3 2

Grown-up: count only the ten beads around each loop.
